

CABINET FOR ECONOMIC DEVELOPMENT

Andy Beshear
GOVERNOR

Old Capitol Annex
300 West Broadway
Frankfort, Kentucky 40601

Jeff Noel
SECRETARY

July 1, 2024

The Honorable Andy Beshear, Governor
Office of the Governor
700 Capital Avenue, Suite 100
Frankfort, Kentucky 40601

RE: Government Resources Accelerating Needed Transformation (GRANT) Program of 2024

Dear Governor Beshear:

Pursuant to KRS 154.14, the Cabinet for Economic Development is required to submit a monthly report to the Governor and the Interim Joint Committee on Appropriations and Revenue about each match applicant for the Government Resources Accelerating Needed Transformation (GRANT) Program of 2024.

The GRANT Program of 2024 monthly report for the period from June 1, 2024 through June 30, 2024 along with the following data is attached as follows:

- Detailed report of applicants approved for obligated funds
- Individual project reports for each approved application
- Detailed report of applicants denied

Please contact me at (502) 782-1987 if there are any questions regarding this report.

Sincerely,

A handwritten signature in blue ink that reads "Katie Smith".

Katie Smith
Deputy Secretary & Commissioner
Department for Financial Services

Project Information

Location (city): Sacramento **Location (county):** McLean
Regional Project? No **Participating counties:** McLean
Priority Community? No
Estimated Begin Date: October 1, 2024 **Estimated End Date:** December 1, 2025

Project Description: The City of Sacramento is struggling to continue operating its wastewater system, that was constructed in the 1980's. The grinder pumps are past their useful life and continually need replacement and maintenance due to malfunctioning motors/pumps. The city would like to convert the existing grinder pumps to a private gravity sewer laterals. This will allow the city to save on costs, have more capacity, and have greater flexibility to obtain new customers. Updating to a reliable sewer service will allow the residents of Sacramento to have access to reliable sewer services.

Project Information

Location (city): Morganfield **Location (county):** Union
Regional Project? No **Participating counties:**
Priority Community? Yes
Estimated Begin Date: August 1, 2024 **Estimated End Date:** August 1, 2025

Project Description: Morganfield lacks a centrally located recreational park for the community and a recreational water park since the closing of their city pool. This issue has created a drought of free activities for children and their families in the city. The creation of this park would provide for a community that desperately needs and wants a park. Morganfield has been putting in a tremendous effort to revitalize the downtown area to be a place where the community gathers for events and recreation.

Eligible Uses to occur at the Project:

- Enhance economic vitality, including revitalization of structures with a public purpose or benefit
- Promote or develop an artistic or philanthropic purpose
- Improve traditional infrastructure
- Create or expand recreational facilities
- Construct or expand other facilities that promote or enhance economic development or tourism opportunities
- Provide facilities and activities for local residents that enhance quality of life

Estimated Begin Date: March 1, 2025 **Estimated End Date:** April 1, 2026

Project Description: The Kentucky Transportation Cabinet (KYTC) initiated a corridor study for the KY 321 corridor at Paintsville in Johnson County to identify solutions to relieve congestion and improve safety for both motorists and pedestrians that included the possibility of constructing a shared use path. The community has requested the development of a shared use path for more than a decade, as the current pathway is heavily travelled by pedestrians for goods and services, as well as to reach places of employment. Johnson County Fiscal Court requests GRANT Program Funds to match the FHWA/DOT, Transportation Alternative Program (TAP) funding to construct a shared use path along the east side of KY 321 for an approximate .9 miles.

Eligible Uses to occur at the Project:

- Improve traditional infrastructure
- Create or expand recreational facilities
- Restore or create retail facilities, including related service, parking and transportation facilities, to revitalize decaying downtown areas
- Construct or expand other facilities that promote or enhance economic development or tourism opportunities
- Provide facilities and activities for local residents that enhance quality of life
