CERTIFICATION

Eligibility for financial assistance is determined by the information presented in this application and in the required attachments. Any changes in the status of the proposed project from the facts presented herein, including but not limited to the commencement of construction, any public announcement or legal commitment (e.g., lease or contract) without contingency language, could jeopardize the project's eligibility for incentives. Please contact the staff of the Authority before taking any action which would change the status of the project as reported here.

I, the undersigned, on behalf of the applicant, hereby represent and certify that the foregoing application information, including all attachments, to the best of my knowledge, is (a) true, complete and accurate with respect to the information concerning the proposed project for which financial incentives are sought; and (b) does not contain any information for which any entity competing with the applicant may claim a proprietary interest.

The undersigned, on behalf of the applicant, acknowledges that information contained within the application and its attachments may be subject to public disclosure to the extent required by law pursuant to any request made under the Kentucky Open Records Act contained in Chapter 61 of the Kentucky Revised Statutes. Notwithstanding the above, except as otherwise agreed to by the applicant in writing, no confidential or proprietary application information shall be disclosed if properly excluded from disclosure under KRS 61.878 (as determined by the Authority, the Kentucky Attorney General or court of competent jurisdiction). Information reported to the Cabinet or the Authority with regard to employment numbers, average wages, investment, eligible costs, approved costs and other information as required by an incentive agreement shall be available for public disclosure.

For each of the following statements, enter Yes if the corresponding statement is an accurate statement for the applicant company. Enter No if the corresponding statement is not an accurate statement for the applicant company. Each response shall operate as a separate certification. The undersigned hereby certifies to the best of his/her knowledge:

☐ The applicant hereby certifies that it has secured, or is in the process of securing, the necessary capital to fully execute and complete the proposed project for which it is seeking incentives under the KEIA program. Specifically, the applicant affirms that it has either: (1) sufficient committed financial resources readily available to undertake and complete the project as proposed, or (2) commenced formal capital acquisition efforts and is currently engaged in active and substantive discussions with financial institutions, investors, or other relevant funding sources. Said efforts are at an advanced stage, and the applicant has a high degree of confidence, based on existing negotiations and/or term sheets under review, that the requisite capital will be secured within a timeframe that will not materially impact the project schedule or deliverables. This statement is made in good faith and with the understanding that misrepresentation of financial readiness may affect eligibility under the previously referenced incentive program.

☐ The applicant (including any affiliate) has not been placed in receivership or bankruptcy, been denied a business-related license, or had a business-related license revoked by any administrative, governmental, or regulatory agency.

☐ The Chief Executive Officer, or a similarly situated person in charge of the applicant's executive operations, has not been convicted of any criminal offenses or filed for bankruptcy within the last ten years.

☐ The Chief Financial Officer, or a similarly situated person in charge of the applicant's financial affairs, has not been convicted of any criminal offenses or filed for bankruptcy within the last ten years.

If unable to answer Yes to all four of the statements above, please attach a brief explanation on a separate sheet of paper which shall be incorporated as an attachment to this application.

The applicant shall make the Cabinet aware if, subsequent to the filing of this application, including during the term of any agreement entered into between the applicant and the Cabinet or KEDFA, the applicant, or any owner or affiliate of the applicant, is convicted of any criminal offenses, is placed in receivership or adjudicates a bankruptcy, or is denied a business related license or has a business related license suspended or revoked by any administrative, governmental or regulatory agency.

The undersigned, on behalf of the applicant, acknowledges that the applicant will be required to self-report annually the total amount of incentives claimed for each year during the term of the incentive agreement and agrees to provide this information annually. Failure to provide the information may result in suspension of incentives.

In addition, the undersigned, on behalf of the applicant, acknowledges and grants permission to the Authority to share any and all information contained within the application and its attachments with appropriate State and Federal agencies, local jurisdiction(s) and contracted consultants to determine the feasibility and potential impact associated with the project for which incentives are sought.
