KPDI Program of 2024 Annual Report
July 1, 2025 - June 30, 2026

Pursuant to KRS 154.21-020, the Cabinet for Economic Development is required to prepare an annual report of applications approved by the Kentucky Economic Development Finance Authority (KEDFA) for incentives under the Kentucky Product Development Initiative (KPDI) Program of 2024. Below is the KPDI Program of 2024 Annual Report as of June 30, 2026.

Project Number	Name	County	Description	Program Status	Program Sub Status	Approval Date	Projected Investment	Incentive Amount	Amount Disbursed
ROUND 1 - Calendar Year 2025									
119914	Mt. Sterling/Montgomery County Industrial Authority	Montgomery	The County of Montgomery is partnering with the Mt. Sterling-Montgomery County Industrial Authority and submitted an application to the Cabinet requesting the award of grant funds for site preparation at 3831 Owingsville Road, Mt. Sterling, Kentucky 40353 in the Walters Industrial Park, including fill placement and preparation for creating a detention pond, storm drainage and sanitary sewer and water system.	Active	Monitor	6/26/2025	$ 2,400,000.00	$ 2,000,000.00	$ -
119944	Paradise Park Regional Industrial Authority	Muhlenberg	Paradise Park Regional Industrial Development Authority, Inc. has attracted business to the industrial park to accommodate future anticipated growth at the park. This project includes a 25-acre site and building which expects to create many high paying jobs. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Inactive	Matured	7/31/2025	$ 16,963,807.00	$ 4,000,000.00	$ 4,000,000.00
119943	Pendleton County Economic Development Office	Pendleton	The Pendleton County Industrial Development Authority is planning critical due diligence work needed to advance the Pendleton County Commerce Park. Activities in this work include updated site mapping, environmental studies, and other assessments necessary to move the site toward certified build-ready status. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	7/31/2025	$ 24,438.00	$ 21,250.00	$ -
119963	Richmond Industrial Development Corp.	Madison	The City of Richmond is requesting KPDI funding for land acquisition in the heart of Madison County. The identified land consists of 189.74 acres adjacent to the existing Richmond Industrial Park South III. The land has previously been annexed into the City of Richmond and is presently zoned as Agriculture (AG). The zoning will be changed to Industrial Zones (I-1) and (I-2) and/or another compatible zoning designation. The new land is presently being used for farmland (pasture and hay). This new land (once acquired) can be developed quickly using the existing road network and utility infrastructure already in place in the adjacent Industrial Park. Development costs will be funded through grants and other sources. The newly acquired land will be called Richmond Industrial Park South IV. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Inactive	Matured	7/31/2025	$ 4,744,000.00	$ 2,000,000.00	$ 2,000,000.00
119967	City of Georgetown	Scott	The County of Scott is partnering with the City of Georgetown, Kentucky and submitted an application to the Cabinet requesting the award of grant funds for land grading and site development of approximately 88.5 acres of land in the Lanes Run Business Park located near Enterprise Way in Georgetown, Scott County, Kentucky.	Active	Monitor	7/31/2025	$ 1,239,900.00	$ 991,920.00	$ -

119968	Russell County Industrial Development Authority	Russell	The City of Richmond is partnering with the Richmond Industrial Development Corporation and submitted an application to the Cabinet requesting the award of grant funds for the acquisition of 189.74 acres of land for annexation into the adjacent and existing Richmond Industrial Park located at Duncannon Lane, Richmond, Kentucky 40475.	Active	Monitor	7/31/2025	$ 60,605.00	$ 52,700.00	$ -
119972	London-Laurel County Economic Development Authority	Laurel	The County of Laurel is partnering with the London-Laurel County Economic Development Authority and submitted an application to the Cabinet requesting the award of grant funds for the continued development of the McDaniel Industrial Park located at 948 Sinking Creek Road, London, Laurel County, Kentucky, by extending necessary utilities throughout the Park.	Active	Monitor	7/31/2025	$ 1,650,000.00	$ 1,375,000.00	$ 97,295.00
119973	Springfield/Washington County Economic Development Authority, Inc.	Washington	Springfield/Washington County Economic Development Authority, Inc. is planning to develop a 20-acre site into a shovel ready site. The Authority plans to extend existing infrastructure and roadway further into the site, so the entire property has access to natural gas, water, and a paved access road. Also, there will be work to add a sewer pump station. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	8/28/2025	$ 449,650.00	$ 391,000.00	$ 36,795.00
119984	Springfield/Washington County Economic Development Authority, Inc.	Washington	The Springfield/Washington County Economic Development Authority, Inc. is pursuing a due diligence study on 25 acres of land that joins an existing 32 acres currently owned by the Authority. This study will allow the Authority to take the necessary steps to ensure that this additional land is a worthwhile investment, which could lead to property acquisition creating a nearly 60-acre future industrial site location along highway US 150 in Washington County. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	8/28/2025	$ 72,482.00	$ 63,028.00	$ 26,180.00
119986	Monroe County Industrial Development Authority	Monroe	The County of Monroe is partnering with the Monroe County Industrial Development Authority and submitted an application to the Cabinet requesting the award of grant funds for a due diligence study on a site located at 2008 Edmonton Road, Tompkinsville, Monroe County, Kentucky, to determine the site's suitability for the construction of a new industrial park.	Inactive	Matured	7/31/2025	$ 47,421.00	$ 40,307.00	$ 40,307.00
120013	Northern Kentucky Area Development District	Carroll	The City of Carrollton and Carrollton Utilities are planning a natural gas extension to the project site from the existing gas line on Lock Rd. This project will provide the Carroll County and Carrollton Utilities the ability to market the property more competitively to industry leaders and will allow Carroll County and Carrollton Utilities to expand its footprint as a leading gas provider in the nation. This is a regional project with support from Carroll and Trimble counties. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	9/25/2025	$ 4,287,172.00	$ 3,768,942.00	$ -
120017	Breckinridge County United Economic Development	Breckinridge	The County of Breckinridge is partnering with Breckinridge County United Incorporated and submitted an application to the Cabinet requesting the award of grant funds for the 1,150 foot extension of a water line to the Irvington Industrial Park at 15205 East Highway 60, Irvington, Kentucky 40146.	Active	Monitor	8/28/2025	$ 114,050.00	$ 99,794.00	$ 7,000.00

120024	BE NKY	Kenton	The City of Erlanger is seeking KPDI funding to support critical site preparation for the redevelopment of a key corridor adjacent to Eons Adventure Park. This area, situated just outside their Tax Increment Financing (TIF) district, holds immense potential for economic revitalization and community enhancement. With strategic investment, this site will become a cornerstone for attracting high-value businesses and fostering long-term growth. An independent site selection consultant identified the project as having the potential for future investment/location of an economic development project.	Active	Monitor	8/28/2025	$ 48,000.00	$ 40,000.00	$ 30,320.00
120060	Paducah McCracken County Industrial Development Authority	McCracken	The City of Paducah is partnering with the Paducah-McCracken County Industrial Development Authority and submitted an application to the Cabinet requesting the award of grant funds for approximately 15 acres of land grading, site readiness preparations, and the construction of a 100,000 square foot speculative building at 5700 Commerce Drive, Paducah, McCracken County, Kentucky 42001.	Active	Monitor	9/25/2025	$ 8,000,000.00	$ 2,000,000.00	$ -
120064	Henderson Economic Development	Henderson	The City of Henderson is partnering with the Henderson County Economic Development Corporation and submitted an application to the Cabinet requesting the award of grant funds for a due diligence study on approximately sixty acres of land located at 2340 Old Corydon Road, Henderson, Henderson County, Kentucky 42420.	Active	Monitor	9/25/2025	$ 127,800.00	$ 88,000.00	$ 25,578.00
120073	Todd County Industrial Foundation, Inc.	Todd	The County of Todd is partnering with the Todd County Industrial Foundation, Inc. and submitted an application to the Cabinet requesting the award of grant funds for due diligence studies on the 119 acre Robertson Property at 770 East Main Street, Elkton, Todd County, Kentucky adjacent to the John E. Walton Business Park for future development.	Active	Monitor	8/28/2025	$ 126,200.00	$ 110,425.00	$ 80,883.00
120421	Elk Hill Regional Industrial Authority Inc	Clay	Clay County is partnering with Elk Hill Regional Industrial Authority and submitted an application to the Cabinet requesting the award of grant funds for development of road and sewer infrastructure on over 100 acres at the Elk Hill Regional Industrial Park in Clay County.	Active	Monitor	2/26/2026	$ 1,554,800.00	$ 1,360,450.00	$ -
120471	Paris-Bourbon County Economic Development Authority	Nicholas	Formerly known as the Finfrock property, the Bourbon County-Nicholas County Joint Economic Development Authority purchased the site using KPDI funds in 2022. This project will focus on site improvements to the recently established Bourbon County-Nicholas County Regional Industrial Park. This is a regional project with support from Bourbon and Nicholas counties. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	2/26/2026	$ 3,890,646.00	$ 3,383,170.00	$ -
120485	Gallatin County Fiscal Court	Gallatin	The Gallatin County Fiscal Court is the owner of the land on which the project will occur, and the project activities directly benefit a public asset owner by Gallatin County. The project will consist of environmental evaluations, archaeological investigation, geotechnical analysis, surveying, and related development due diligence required to advance the airport property to a higher level of development readiness. These activities are prerequisite to future infrastructure development and commercial readiness of the property and support long-term economic development opportunities. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	2/26/2026	$ 99,875.00	$ 85,000.00	$ -

120486	Gallatin County Fiscal Court	Gallatin	Gallatin County is the owner of the airport property and the infrastructure improvements will directly benefit this publicly owned asset. The project consists of the engineering design, permitting, and construction of the water, wastewater, and natural gas extensions necessary to support aviation-related, industrial, and commercial development. These utility extensions are required to advance the airport site to true development readiness and enable future private sector investment. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	2/26/2026	$ 1,548,063.00	$ 1,317,500.00	$ -
120517	Madisonville-Hopkins County Economic Development Corp.	Hopkins	Hopkins County is partnering with Madisonville-Hopkins County Economic Development Corporation and submitted an application to the Cabinet requesting the award of grant funds for Madisonville-Hopkins County Economic Development Corporation's Phase II and Phase III to advance the property to full build-ready status; Phase II includes extending wastewater and natural gas infrastructure at the site; Phase III will complete master planning for the 72 acre site and include wetland and stream mitigation that will allow the property to remain an uninterrupted 72 acre site.	Active	Monitor	2/26/2026	$ -	$ 1,355,492.00	$ 36,975.00
120546	Morgantown Industrial Holdings	Butler	City of Morgantown, Kentucky is partnering with City of Morgantown Industrial Holding Corporation and submitted an application to the Cabinet requesting the award of grant funds for the construction of a new industrial access roadway at 0 Industrial Drive, Morgantown, Kentucky 42261, within the Morgantown Industrial Park in Butler County, Kentucky.	Active	Monitor	3/26/2026	$ 396,000.00	$ 360,000.00	$ 293,449.56
120550	Fulton County Industrial Development Authority	Fulton	Fulton County is partnering with Fulton County Industrial Development Authority and submitted an application to the Cabinet requesting the award of grant funds for due diligence for Enterprise Park at Fulton in Fulton County.	Active	Monitor	3/26/2026	$ -	$ 45,000.00	$ -
120592	Russell County Industrial Development Authority	Russell	Purchased the property - one and only disbursement. /CB	Inactive	Matured	3/26/2026	$ 1,424,850.00	$ 1,211,122.00	$ 1,210,272.50
120732	Russell County Industrial Development Authority	Russell	Russell County is partnering with Russell County Industrial Development Authority and submitted an application to the Cabinet requesting the award of grant funds for Phase II of the Russell County Industrial Authority Industrial Site development project which involves the construction of an access road into the property located at 463 French Valley, Russell Springs, Kentucky 42642.	Active	Monitor	6/25/2026	$ 1,401,730.00	$ 788,878.00	$ -
120545	London-Laurel County Economic Development Authority	Laurel	Laurel County is partnering with London-Laurel County Economic Development Authority and submitted an application to the Cabinet requesting the award of grant funds for Phase II of the development of the McDaniel Industrial Park in Laurel County.	Active	Monitor	2/26/2026	$ 3,560,000.00	$ 2,000,000.00	$ -
120560	Cynthiana-Harrison Co Economic Development Authority	Harrison	The Cynthiana-Harrison Economic Development Authority is working on infrastructure and road improvements to the White Oak property located at the intersection of US HWY 27 and KY-356. The project will focus on sanitary sewer improvements and additional road work to make the site more accessible. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	3/26/2026	$ 2,300,000.00	$ 2,000,000.00	$ -

120565	Graves County Economic Development	Graves	Graves County is partnering with Graves County Economic Development, Inc. and submitted an application to the Cabinet requesting the award of grant funds to Graves County for construction of two 60,000 square feet speculative buildings.	Active	Monitor	4/30/2026	$ 6,906,000.00	$ 2,000,000.00	$ 901,472.00
120581	Eddyville Riverport and Industrial Development Authority	Lyon	The Eddyville Riverport and Industrial Development Authority is poised to acquire approximately 58 acres adjacent to the Eddyville Industrial Park that will support the development of additional rail-served tracts in the 5-10 acre range. The acquisition of the property will allow for construction of a new rail spur parallel to the existing Paducah & Louisville Railroad and develop multiple smaller rail-served sites. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	4/30/2026	$ 87,000.00	$ 75,652.00	$ -
120582	Todd County Industrial Foundation	Todd	The Todd County Industrial Foundation wants to prepare two 100,000 square foot building pads at the John E. Walton Business Park, 24-acre site. The site has immediate access to US 68/80 and is conveniently located in between several markets to attract corporate investment. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	3/26/2026	$ 1,325,000.00	$ 1,159,375.00	$ -
120583	Hopkinsville Industrial Foundation, Inc.	Christian	The Hopkinsville Industrial Foundation is seeking to conduct infrastructure improvements at Commerce Park II 1000+ Acre Rail Site in Hopkinsville-Christian County. The project will provide the design of the new sewer line extension, sewer pump station, and force main at Commerce Park II Rail Site as well provide additional sanitary sewer utility infrastructure to the commerce park. The project was identified by an independent site selection consultant as having the potential for future investment/location of an economic development project.	Active	Monitor	3/26/2026	$ 2,000,000.00	$ 1,700,000.00	$ -
